The Auditor General’s Department is conducting a Performance Audit on Procurement and Contracts Management in selected public entities (Jamaica Constabulary Force (JCF), Petrojam Limited and Ministry of Education (MOE)).

Audit Objectives

The performance audit will provide an indication as to whether the selected public entities procurement and contracts management activities were conducted to attain value for money (which encompasses the achievement of economy, efficiency and effectiveness). The audit will also seek to assess compliance with applicable procurement guidelines.

In scoping this study, we have considered carefully how the audit will contribute to the Auditor General’s Department wider strategic aims to promote improvements in the use of public funds through better Governance and Resource Management.
